

The Gold Coast Public Library “The Little Library that Could”

Be a Friend! Join Us!

Something truly wonderful is happening in our community: a library of our very own! A strong public library benefits the entire community.*

Who are the Friends of the Gold Coast Library and what do they do?

Friends is a non-profit organization made up of people like you who want to:

- support and promote the library in our community
- enrich the library’s collection, equipment, and services through fundraising efforts
- support children’s programming
- sponsor additional library programs and events

Why should I become a Friend of the Library?

Your membership supports a valued institution that will help shape the character of the community. In addition to your financial support, you will have the opportunity to share your talents and work with other people who share your enthusiasm.

* The GCPL serves the residents of the North Shore School District except for the residents of the Village of Sea Cliff, who have their own library.

Thanks for being a Friend!
