

RESERVING BOOKS ONLINE

From home or any other remote location:

- Access ALIScat (Nassau Library System's Automated Library Information System Catalog) from any web browser by typing www.alisweb.org.
- Using the drop down arrow in front of the search box, search by author, title or subject phrases; click *Go* after typing in search.
- Search results will display in a list; select the desired item by clicking on the underlined title.
- The full record for that item will display; click the *Request* button.
- Enter name, library barcode number and PIN at the next screen.
- Click the *Submit* button.
- The system will display a message indicating the request was successful.
- The Library will call when the item is ready for pickup.

From the Library:

- Any OPAC (online public access catalog) station in the Library will access ALIScat automatically.
- Follow steps 2 through 7 above.

Requests will not be placed for library accounts with overdue items outstanding.
